25X1 5. [] Met with Mr. Bun Bray, Associate Staff Director, House Post Office and Civil Service Committee, and discussed the current press reports of Committee handling of S. 782. Mr. Bray told me that no interim response to the Chairman's letter of 22 May 1970 is desired. The Committee staff will be reviewing the files from last year's handling of the previous Ervin bill but will be taking no other action until all the responses to the Chairman's letter are received. Mr. Bray also gave me a copy of Chairman Rivers' letter of last year requesting full exemption for the Central Intelligence Agency.
